

WHAT SHOULD WE LEARN IN SCHOOL?

Consider each of the following choice points as they relate to the value of innovation. For each, list 2-3 assets and challenges involved in making the choice.

1 Hiring someone with a non-traditional educational background.

▶▶ Assets

▶▶ Challenges

2 Eliminating educational degrees as pre-requisites for work.

▶▶ Assets

▶▶ Challenges

3 Choosing a non-traditional schooling choice for your own family.
