

## INJUSTICE

What is broken in your community/the world?

## JUSTICE ACTUALIZED

What would justice look like? What would it feel sound, or even taste or smell like?

## ACTION PLAN

What are a couple small steps you can take? Who do you need to talk to? What do you need to learn about? What skills or resources do you have access to that can help you? What roadblocks might you encounter and how might you respond to them?
